A great hoodie becomes part of someone's identity. These are the pieces you will reach for on cold mornings, away trips, and years after graduation. Hoodies outlast the school year, and a great design deserves a garment that matches it.

Fundraising. Sell shirts. Keep the **PROFIT**.

\$0 UPFRONT
0 FORMS TO HANDLE
100% PROFIT PAID OUT
24/7 YOUR STORE IS OPEN

STEP 1

Pick your design, set your price, & ordering window

Choose from 5,000+ templates or customize your own. Set your selling price above the base cost — that margin is your club's profit on every shirt sold. We handle all the payment processing. Set store open & close date.

STEP 2

We build your store — free

We set up a branded online store just for your group — your design and your school name. It looks professional on every device. Members browse, pick their size, and check out on their own.

STEP 3

Share the link — members order themselves

Send your store link by text, email, your school app, or social. Every buyer visits, picks their size, and pays directly online — no cash, no forms, no you in the middle. The store stays open until close date.

STEP 4

Store closes • we print & ship fast

When your deadline hits, the store closes automatically. We print every order and ship — either one box to your school or direct to each student's home. No sorting by size. Need things quickly? Tell us your deadline and we'll work backward from there.

STEP 5

Your profit, paid out automatically

After the store closes we calculate the total profit from every shirt sold and pay it directly to your group. No chasing payments. No counting envelopes. Just the money your group earned — clean and automatic.
